Dear Friends and Family,

Let's face it – this year has certainly thrown each and every one of us for a loop. We've been looking forward to the **Tropical 5K Classic** as an outlet to safely gather and meet up after months in shelter; however, the rest of 2020 doesn't seem to have that in the cards.

With that said, we wanted to notify you as a past runner and supporter that the 2020 **Tropical 5K Classic** is officially postponed. We hope to be back bigger, better and stronger for the 2021 event. We'll be sure to notify you of that date as soon as we are able.

Just because this year's event is postponed doesn't mean that our goal of **Getting Dirty, Having Fun** and **Beating Cancer** is totally paused. We're still hoping to **Beat Cancer**. In past years, registration fees were donated to the **Stanley M. Marks Blood Research Fund** and **Lending Hearts** to advance their efforts. We're still accepting donations for these organizations in the hopes of providing some form of assistance for them this calendar year.

If you are able, and we know money is tight, please visit [www.tropical5kclassic.org/donate](http://www.tropical5kclassic.org/donate) to support our 2020 initiatives and contribute in any way that you can.

2021 is right around the corner, and we look forward to gathering together again (safely) to continue on our mission. Be sure to visit [www.tropical5kclassic.org](http://www.tropical5kclassic.org) for the latest updates related to next year's event.
